A time for cheering . . .
A time for thought . . .
A time for remembering and looking forward, too.

At Canadian Imperial Bank of Commerce, Canada's Centennial year has a double meaning—our bank was also founded in 1867.

This year is a time of reflective pride for all Canadians. A time for looking back to the great moments of our past. But it should be a time for us all to look forward, too—a pause before a new beginning.

On groundwork laid one hundred years ago we at the Commerce, like all Canadians, will build still more — achieving a still greater century in the years to come.

CANADIAN IMPERIAL BANK OF COMMERCE

1967 – Our Hundredth Year of Banking Service
